

Spick and Span Rocks in Lokmat School Expo 2019

On 12th, 13th and 14th April, 2019 – SPICK AND SPAN CONVENT took active participation in the “MISSION ADMISSION – SCHOOL EXPO” organized by Lokmat group at Ramgopal Maheshwari Sanskritik Sabhagriha, Jhansi Rani Square, Nagpur. It was a platform provided for the schools from all over Nagpur to showcase their efficacy marking their presence in the education sector.

The expo was inaugurated by the dignitaries who are the big shots in their own field. On the first day, various cultural programmes were performed by the children of various schools or at personal level. Second day was marked by a free dance workshop for people of various age groups. Then fashion show for kids and dance performances also added to the gaiety of the programme.

But on the third and concluding day of the programme, SPICK AND SPAN CONVENT students just stole the show. It started with an innovative concept of SELF – LEARNING method by SEMINAR method. Students proved that a so – called “boring” subject called Social Sciences can also be learnt in such an interesting manner. The first seminar presented by the students of class VIII was named as INDIA GAINED INDEPENDENCE. Visitors to the expo were dumbstruck by the expertise of the students in the subject matter and their in – depth self – acquired knowledge about the topic. Students performed the drama very adroitly. The second drama / seminar was based on HIROSHIMA – THE

LIVING LESSON by the class VII students. People at the expo marveled at the ingenuity of the students of SPICK AND SPAN CONVENT. The third seminar was presented by a single student of class VII. It was based on a very sensitive matter of CELIBACY and hence the exposition was presented by the director of the school – Dr. Mrs. VeenaSaoji herself. Students of SPICK AND SPAN CONVENT took active and enthusiastic participation in all the game shows and won many prizes as well. But it was their innovative grounding breaking pattern of seminars which won all the accolades and left an indelible mark on the minds of everyone.
